REPORT OF THE COMMITTEE.

The Committee of the Fairford Cottage Hospital beg to present to their Subscribers their 77th Annual Report and Statement of Accounts for the year ended 31st December, 1944.

A record of the work undertaken during the year is shown in the Statistical Report on page 8.

The income of the Hospital has been well maintained but costs continue to rise.

The salaries of the Nursing Staff and Domestic Staff have been raised to the scale laid down by the Rushcliffe Committee and Hetherington Report.

This was done on the advice of the Oxford and District Joint Hospital Board and the British Hospitals Association.

Your Committee advises you that whatever may be the result of the Government's proposals for alterations in Health and Hospital services, in the immediate future we must rely on our present sources of income.

Voluntary subscriptions, voluntary efforts to support the Hospital by special efforts in Towns and Villages served by the Hospital, and payments made by Contributory Associations for maintenance of their Subscribers in Hospital.

It is therefore important that these sources of income should be well maintained.

Attention is drawn to receipts under the head of special efforts.

Your Committee sincerely thank all responsible for the organisation of Sales, Dances, etc., in the area served by the Hospital being special efforts to support the Hospital Funds.

They wish to thank their subscribers, those responsible for Church and School donations, and the Collectors for the Radcliffe Scheme.

Your Committee thank the Medical and Surgical Staff, and their Nursing and Domestic Staff.

They thank the Matron for her care of patients, and her management during another year with all its war time difficulties.

MAJOR A. B. MITCHELL,
Chairman.
